

Presentation of a scientific poster

- Poster dimensions: 90 cm x 110 cm Portrait orientation
- Display boards will be set up in a room designated for this purpose. You may put up your posters there on 21 September 2026 from 8.00 am. The poster sessions will take place during the coffee breaks. Authors must be present during the poster sessions to answer questions from participants. You may collect your posters after 2.00 pm on 22 September.
- Posters must be presented in English

Poster competition

Only students and postdoctoral researchers are eligible to enter the poster competition. If your abstract is selected and you wish to take part in the competition, a PDF copy of your poster must be sent to the following email address: ANTIMIC@fsaa.ulaval.ca by 1 September 2026 at the latest.

Evaluation criteria:

Quality of the abstract: clarity, conciseness, and completeness of information (10 points);

Scientific quality of the poster: research question, experimental approach, quality of results and discussion, achievement of objectives, validity of conclusions in relation to the data (55 points);

Presentation: Assessment of the quality of the poster presentation by the presenter during the symposium (35 points).

If you have any questions, our team is at your disposal at the following address:
